PROTECT YOURSELF & YOUR FAMILY.
Knowing the facts about Workers' Compensation.

FACT: Eligibility

You are eligible for Workers' Compensation from the moment you are hired. Regardless of the size of the employer or the length of time you have been employed, every worker in the State of New Jersey is entitled to Workers' Compensation benefits.

FACT: Time Limit

If you are injured and/or sick because of a work-related incident, there is a time-limit on how long you can wait to file a claim in workers' compensation court. This "statute of limitations" says that a claim must be filed within two years from the date of the accident, last date of authorized medical treatment, or last date of compensation paid to you, whichever date is later.
