Summer Camp And Classes At The Ventnor Cultural Art Center

By VICTORIA CLARK
DIRECTOR, VENTNOR CITY
CULTURAL ART CENTER, INC.

- Most of us with children panic at the end of June, "what are we going to do with the kids all summer?"
- Now that spring is here, there is no better time to get the ball rolling with the summer plans.

The Ventnor City Cultural Art Center offers two three week summer programs for children ages 7 and up.

Our program is not a traditional camp but an arts experience. The students, taught by professional artists, are introduced to and taught painting with different mediums, pottery, creative writing, dance, theater arts and gymnastics. The program runs Monday – Friday in the morning, leaving the afternoon free to hit the beach. Funded in part by the New Jersey State Council on the Arts through the Local Arts Grant Program administered by the Atlantic County Office of Cultural and Heritage Affairs, this program has been running for twenty years and is a very successful and popular program for the children.

Also being offered this summer are classes specifically for teens. These classes include pottery, cartooning, jewelry making and hip-hop.

If you would like more information on our summer classes at the Cultural Art Center, located at 6500 Atlantic Ave, Ventnor, NJ, call 609-823-7952 or visit us online at www.ventnorarts.org

The cultural art center offers a summer program for children ages 7 and up.

The Young Peoples Summer Arts Program runs for six weeks during the July and August.

The program exposes the students to art, pottery, theater arts, creative writing and dance.
