THE SCONE SHOPPE – Much More Than Scones

THERESA CAVALLO-PATERNO

Step back in time and allow us to show you around . . . Doesn't this remind you of your grandmother's parlor?

Welcome! Come! Relax with us, have some tea, lunch with a scone for dessert, or just one of our fresh baked scones...it's definitely the love that rejuvenates you. At *The Scone Shoppe* we specialize in tantalizingly tasty gourmet scones in many delicious varieties – 10-12 different flavor combinations available baked fresh every day with the finest ingredients and mixed with love. There are the regular size and the ever popular mini scones. Buy one for now and take a box home for the company coming for the weekend, or for that unexpected guest.

THE SCONE SHOPPE is more than THE place to purchase gourmet scones – we are a breakfast and lunch café with daily breakfast specials and light fare such as soups, salads, quiche of the day and sandwiches for the lunch crowd.

THE SCONE SHOPPE is a tea house and a gathering place with down home coziness...flowered wallpaper just like grandma's house, fine china tea pots and cups to sip the brew of your choice.

THE SCONE SHOPPE has been a Point Pleasant Landmark since 2008.

Won't you come to my tea room for breakfast, lunch or a scone or two? You'll never be the same.

Exceptional service is paramount. We want you to feel at home from the moment Pat greets you at the door with her ever present huge smile, while you're enjoying a meal attended to by our pleasant staff or just purchasing some scones to go... this is our home and we welcome you from our heart.

We also cater... bridal and baby showers – whatever YOUR next event might be. What about a tea and scone party? *Give us a call.*

GLUTEN FREE SCONES:

Always aware of our client's needs, we now offer GLUTEN FREE SCONES.
