has lots of new spring fabrics and a class lineup that covers all the bases. We are having great fun with the Accuquilt, the cutting is fast and accurate and the possibilities are endless. Stop in and see what you can make! We have added more beginner friendly classes and a baby quilt class. This is a great opportunity to make those graduation, baby and wedding gifts. We have an exciting Kids Camp, June 29th – July 2nd from 1 – 4 pm that will teach kids useful skills and they will take home

their machine upon completing the course. For those of you with more experience (and more scraps) we have “Get The Scrap Outta Here” with Rae, The Scrap Queen, as well as the Scrap Yard. Bring in those quilts you never finished because of technical difficulties and Gloria will help you get it done. Gloria Stewart is the headmistress of the “Finishing School”. The “Bag Lady” Laurie Eason has been busy making samples of all exciting new designs she will be teaching over the next few months.

Atlantic County Quilts is a full service Bernina sewing machine dealer with a certified technician onsite and training opportunities for new and existing Bernina owners. Bernina has some great deals on the 830 through May. It would be a good time to stop and look at these amazing machines! Bernina mastery classes have been added to our class schedule so you can use your machine to it's fullest potential!

We stock a wide range of notions, patterns, books, kids, and miscellaneous quilting supplies. We have a variety of hard-to-find embroidery stabilizers, thread, and rick rack for embroidery and embellishment projects!
We hope to see you soon!
