

# Linwood Custom Jewelers . . . An Exquisite Buying Experience

PAUL MCCORD AND ELIZABETH BROWN

*Linwood Custom Jewelers was founded on the premise that friendly professional service is as much a part of the enjoyment of the jewelry buying experience as the jewelry itself.*

A piece of fine jewelry is a cherished memento, a celebration that should reflect the spirit of the occasion. We offer a wide

assortment of beautifully designed pieces from the classics to cutting edge style. Many of our creations are crafted in our own shop. Linwood Custom Jewelers offers a complete array of services on the premises including sizing, repairs, custom design, and diamond remounting.

Paul McCord has been a master jeweler for over 25 years and has created many one-of-a-kind custom signature pieces. His extensive customer following has always had the utmost confidence and trust in him with their most valued pieces. Whether he uses diamonds and gemstones from family heirlooms, or creates a completely new piece,

Paul has been able to bring to life what could only have been imagined by the customer. Many of Paul's custom designed pieces can be seen throughout Linwood Jewelers. Paul has also made custom designs for the Shore Memorial Hospital Auxiliary and the South Jersey AIDS Alliance, among others.

Linwood Custom Jewelers is a member of the largest and most powerful jewelry buying group in the world, the Independent Jewelers Organization (IJO). IJO's immense buying power means savings for our customers and access to exclusive IJO-only designs.

Linwood Jewelers is proud to have met the stringent qualifications to be the exclusive IJO retailer in the area. This affiliation allows us

the ability to travel abroad to buy diamonds directly from Antwerp, the diamond capital of the world. We maintain a leading role keeping up with the latest fashions and trends in fine jewelry by educating ourselves about every aspect of our industry, including innovative technologies, such as laser equipment that allows for fast but precise repairs on your most cherished family heirlooms to your everyday fashion jewelry. We also attend jewelry shows and private jewelry auctions across the nation regularly, while continuing to round out our expertise with a staff certified by the Gemological Institute of America (GIA).
