Valentine's Day

is on the way and that means that Jennifer Jones at From Scratch Homemade Goodies is hard at work making an assortment of delectable treats for the upcoming holiday.

In addition to the everyday goodies featured at From Scratch, prepare yourself to be amazed by the Valentine's treats planned for this year.

♥ Jennifer will feature long stemmed chocolate covered strawberries, gigantic heart shaped chocolate chip cookies, a chocolate tunnel of love cake, heart shaped cupcakes and special Valentine flavored cupcakes including Black Forest and Red Hot Cupcakes.

From Scratch Homemade Goodies uses only the finest and freshest ingredients in their baked goods. Everything is made fresh and never frozen. From Scratch features cookies, pies, three layer cakes, sheet cakes, cupcakes, muffins, cheesecakes, cream puffs and more.

From Scratch can customize that perfect Valentine's Day goodie for you. Pastries are a welcomed gift. Jennifer will ship the "gift of sweets" to any place in the USA and Canada.

Jennifer is a Hammonton resident and began her business, Jennifer's Home-Made Goodies, in 2000. While working out of her home, she specialized in cookie trays, cakes and pies for special occasions, and corporate client gifts. Her desserts were made available to the public for sale at Bagliani's Market, Casciano Coffee Bar and Sweetery and Inferra's Market. She had always dreamed of open-

ing her own pastry boutique and March 21 will mark Jennifer's second anniversary in the Sidoni Lane location.

New Look, Same Great Atmosphere

OWNERS GEORGE DRAKOPOULOS AND
SISTER MAXI DRAKOPOULOS
FROM SOUTH AFRICA

That little orange coffee house in Ventnor City has gotten a face lift.

Though, if you're a regular, you'll now notice a hefty upgrade to the substance of the cultural oasis. For starters, Malelani's menu has been fed and expanded, revised with delectable editions such as Chicken Souvlakia and Moussaka.

Yes, they're homemade. In fact, there is little at Malelani that is not homemade these days.

From their traditional hummus (part of the Mediterranean Salad and the Pita Platter, just two of their amazing vegetarian choices), all the

way to the soups, pizzas, and baked goods, homemade is synonymous with quality at the little family-run cafe. Also in Malelani's vegetarian spectrum

are the Vegetarian Panini and the Mediterranean Panini. These menu updates combined with daily specials (all made on premises), conclude in a much more complete and satisfying dining experience.

Let's not forget imported goods either! Illy coffee is served exclusively. The world famous brand is a sixty bean blend that is used in all of your coffee based drinks, including the best espresso in town. Loose-leaf teas are brought in from all over the world to tantalize, calm, or energize, depending on the drinkers current desire. Be sure to stop by at least once a season to test the holiday specials, like the Malelani Mocha or the Pumpkin Spice Latte.

If all of that great food and drink isn't enough for you, stop in for one of Malelani's many events, including their Saturday weekly open mic night (7-10pm), which continues even during the winter months.

For special events, like 'dinner and a movie' nights, stay up to date on the official Malelani facebook page:
