**New Summer Hours! Blueberry and Beach fabrics are in and Santa is Coming in July to Atlantic County Quilts**

**A**tlantic County Quilts has lots

of new summer fabrics and a class lineup that covers all the bases, including our hot Christmas in July fabrics and lessons. Get a head start on those Christmas projects by starting soon. We are having great fun with the Accuquilt, the cutting is fast and accurate and the possibilities are endless. Stop in and see what you can make!

We have added more beginner friendly classes. This is a great opportunity to make those graduation, baby and wedding gifts. We had an exciting Kids Camp, June 29th-July 2nd from 1-4pm. Enrolled, kids learned useful skills and they took home their machine upon completing the course.

For those of you with more experience (and more scraps) we have "Get The Scrap Outta Here" with Rae, The Scrap Queen, as well as the Scrap Yard. Bring in those quilts you never finished and Gloria will help you get it done. Gloria Stewart is the headmistress of the "Finishing School". The "Bag Lady" Laurie Eason has been busy making samples of exciting new designs she will be teaching over the next few months. You can now reserve a class and order fabrics online!

Atlantic County Quilts is a full service authorized Bernina sewing machine dealer with a certified technician onsite and training opportunities for new and existing Bernina owners. Bernina has some great deals on all machines, including the 830. It would be a good time to stop and look at these amazing machines! Bernina mastery classes have been added to our class schedule so you can use your machine to its fullest potential! Our Bernina classes highlight garment sewing, home dec-

orating, embroidery, and other embellishments. We also have a serger club. We will be hosting a Bernina event on August 18th.

We are now offering Long-arm lessons and rentals on our Gammill-Statler Long Arm.
