

"We've Got You Covered."

Turnersville AutoMall

Why Drive All Over South Jersey?

If you are looking for a new, certified pre-owned or used vehicle, Turnersville AutoMall is the one-stop shopping destination in South Jersey.

Turnersville AutoMall is a collection of 10 dealerships featuring the best brands, facilities and people in the business. We are located on 65 acres, near the intersection of the Black Horse Pike (Route 42) and the Atlantic City Expressway. Our campus features 10 full-service dealerships, a state-of-the-art Collision Center that is equipped to handle all vehicle brands and our own test track on which you can test drive your next vehicle. We also have the car wash and vehicle detailing equipment that

allows us to provide detail cleaning services for more than 300 customers each month.

Our businesses are all owned by Penske Automotive Group and we pride ourselves on providing excellent customer service in an effort to earn our customers' business 'for life'.

Whether you are looking for a luxury-brand vehicle, such as Acura, Audi, BMW and Cadillac, or you are looking for a vehicle from the region's largest collection of 'Green' and high-MPG vehicles, Turnersville AutoMall must be on your list of dealerships to visit.

Our People & Our Focus on Customer Satisfaction

We have numerous women within the highest levels of our sales and customer support teams. Whether you are dealing with Parthenia Dixon, a salesperson at Honda, or Dawn O'Brien, our Finance Manager at Acura,

or Krissy Cone, our Internet Manager for Nissan & BMW, you will have the opportunity to work with a trained, professional and customer-focused team member. And, if you are comfortable with the salesperson with which you are working, you can buy a vehicle at any of our dealerships with your salesperson of choice.

Our Facilities

Our dealerships are built to the latest standards, complete with indoor service drive areas, comfortable customer lounges and kids' corner areas. We believe in providing for our customers and team members a safe and comfortable environment. And, instead of taking a test drive through local neighborhoods or on busy roads, we have our own private test track on which our customers can get comfortable with the vehicles that interest them.

Satisfied Customers Say It All!

"This is the second time I've been to Nissan of Turnersville. My appointment was at 8 AM, I arrived at 8 AM, and my service began at 8 AM. I fear that if Joe Public read my review, he'd think it was fake because I have only good things to say. Prompt friendly service, at a time when most of us think those are things of the past. Thanks again."
- M.K., Glassboro, NJ

"I would like to take this opportunity to thank both you as Service Manager and Megan Martin for such outstanding service. Megan was such an outstanding Service Advisor. She is certainly an asset to the BMW team. I am thankful to both of you for understanding my service problems and stepping up to fix the problems. I will continue to do business with BMW of Turnersville, as I have received outstanding service. I have and will continue to tell friends, family and coworkers of the remarkable service I received at BMW of Turnersville."
- M.S., Westville, NJ

"Every time I come to Honda of Turnersville the service is excellent. I drive all the way from Mt. Laurel just to get my vehicle serviced there. I always appreciate the service department for always making me feel good about getting my car serviced, no matter what I have done."
- A.S., Mount Laurel, NJ

"Our purchase from Hyundai of Turnersville was handled in the most excellent manner. Michael contacted us several times through the process of purchasing our 2010 Santa Fe. We cannot thank you all enough. Everything was perfect. We have purchased three cars from you, and will come back again, as well as recommend you to others. Great job. Thanks and we really appreciate all that you have done for us."
- G.M. & J.M., Sweetwater, NJ
